

PROJECT PARTNERSHIP OPPORTUNITY

Caribbean Christian Centre for the Deaf New Life Church of the Deaf

Objectives

Pastor Sheldon has a powerful gift, and he is needed in more than one place. **If Sheldon can travel more often**, he can teach, counsel, hold church services, evangelize, and mentor growing young adults in various places on the island as **God expands the reach and impact of Sheldon's ministry.**

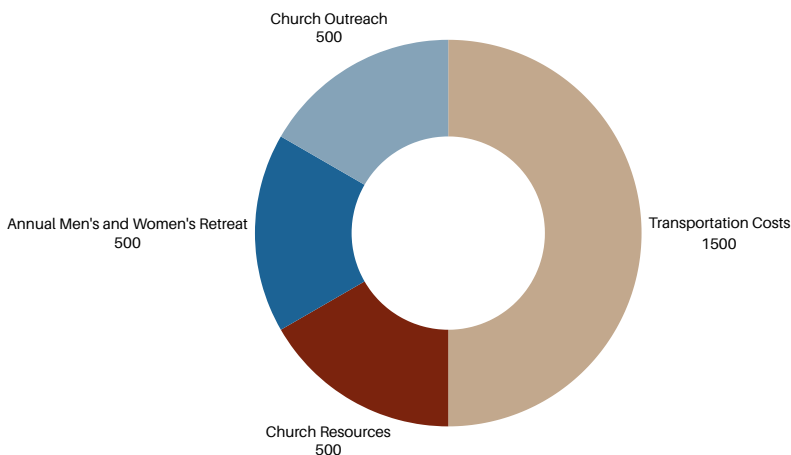

Challenges

Travel and material costs are a real and practical expense for Sheldon. With rising costs, it is difficult to estimate the exact need for travel and program expenses. However, **with these covered, Pastor Sheldon will be free to focus on ministry**, and not be concerned with financial strain.

Solutions

We need to raise **\$2,500** to cover the next season of Sheldon's outreach ministry. Will you help fund the reaching and mentoring of these students and adults? A gift of any amount will help. To give, you can go to our website, contact our U.S. Office, or send a check to the address below.
